Art Unit: 1652

The application has been amended as requested in the communication filed February 4, 2004. Accordingly, claim 3 has been amended, and claims 22-24 have been entered.

Claims 2-7 and 22-24 are under consideration.

The terminal disclaimer filed on March 19, 2004 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of U. S. Patents 5,777,079 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Examiner's Amendment:

Cancel non-elected claims 8-21.

Authorization for this examiner's amendment was given in a telephone interview with Lisa Hail on April 2, 2004.

Claims 2-7 and 22-24 are allowed.

The following is an examiner's statement of reasons for allowance: The filing of a proper terminal disclaimer over U. S. Patent 5,777,079 obviated the obviousness double patenting rejection as well as the rejection under 35 U. S. C. 103.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nashaat T. Nashed, Ph. D. whose telephone number is 571-272-0934. The examiner can normally be reached on MTTF.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ponnathapura Achutamurthy can be reached on 571-272-0928. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
